### Grand Finale Show Choir Auditions

Grand Finale is an auditioned show choir that travels and competes against other high school groups from all over the southeast. The group competes with a show that concentrates on singing, choreography, costumes, stage props, and a live band. The competition season takes place in the spring and requires several weekend commitments during those months. The group is also a part of the larger chorus program and has performance opportunities in multiple concerts throughout the year. This group meets everyday during class and members must be enrolled in the class both semesters. You should register for two semesters of any choir sequence to hold the electives in your schedule, and then you will be placed in the show choir classes if you make the group!

**Vocal audition:** Vocal auditions will take place during your chorus class period. If you are not currently in a choir class at RHS or RMS, your vocal audition will take place the same day as your dance audition.

You will be asked to sing:

- 1.60 seconds of any song that you feel shows off your voice (a cappella or with track)
- 2.A few short vocal warm-up exercises to determine your voice part

You only have to attend **one** date but you may attend multiple dates if you would like. There will also be a rehearsal video released at the beginning of May that you can practice with. The choreography audition will be held in front of a panel of judges.

**Audition dates:**
